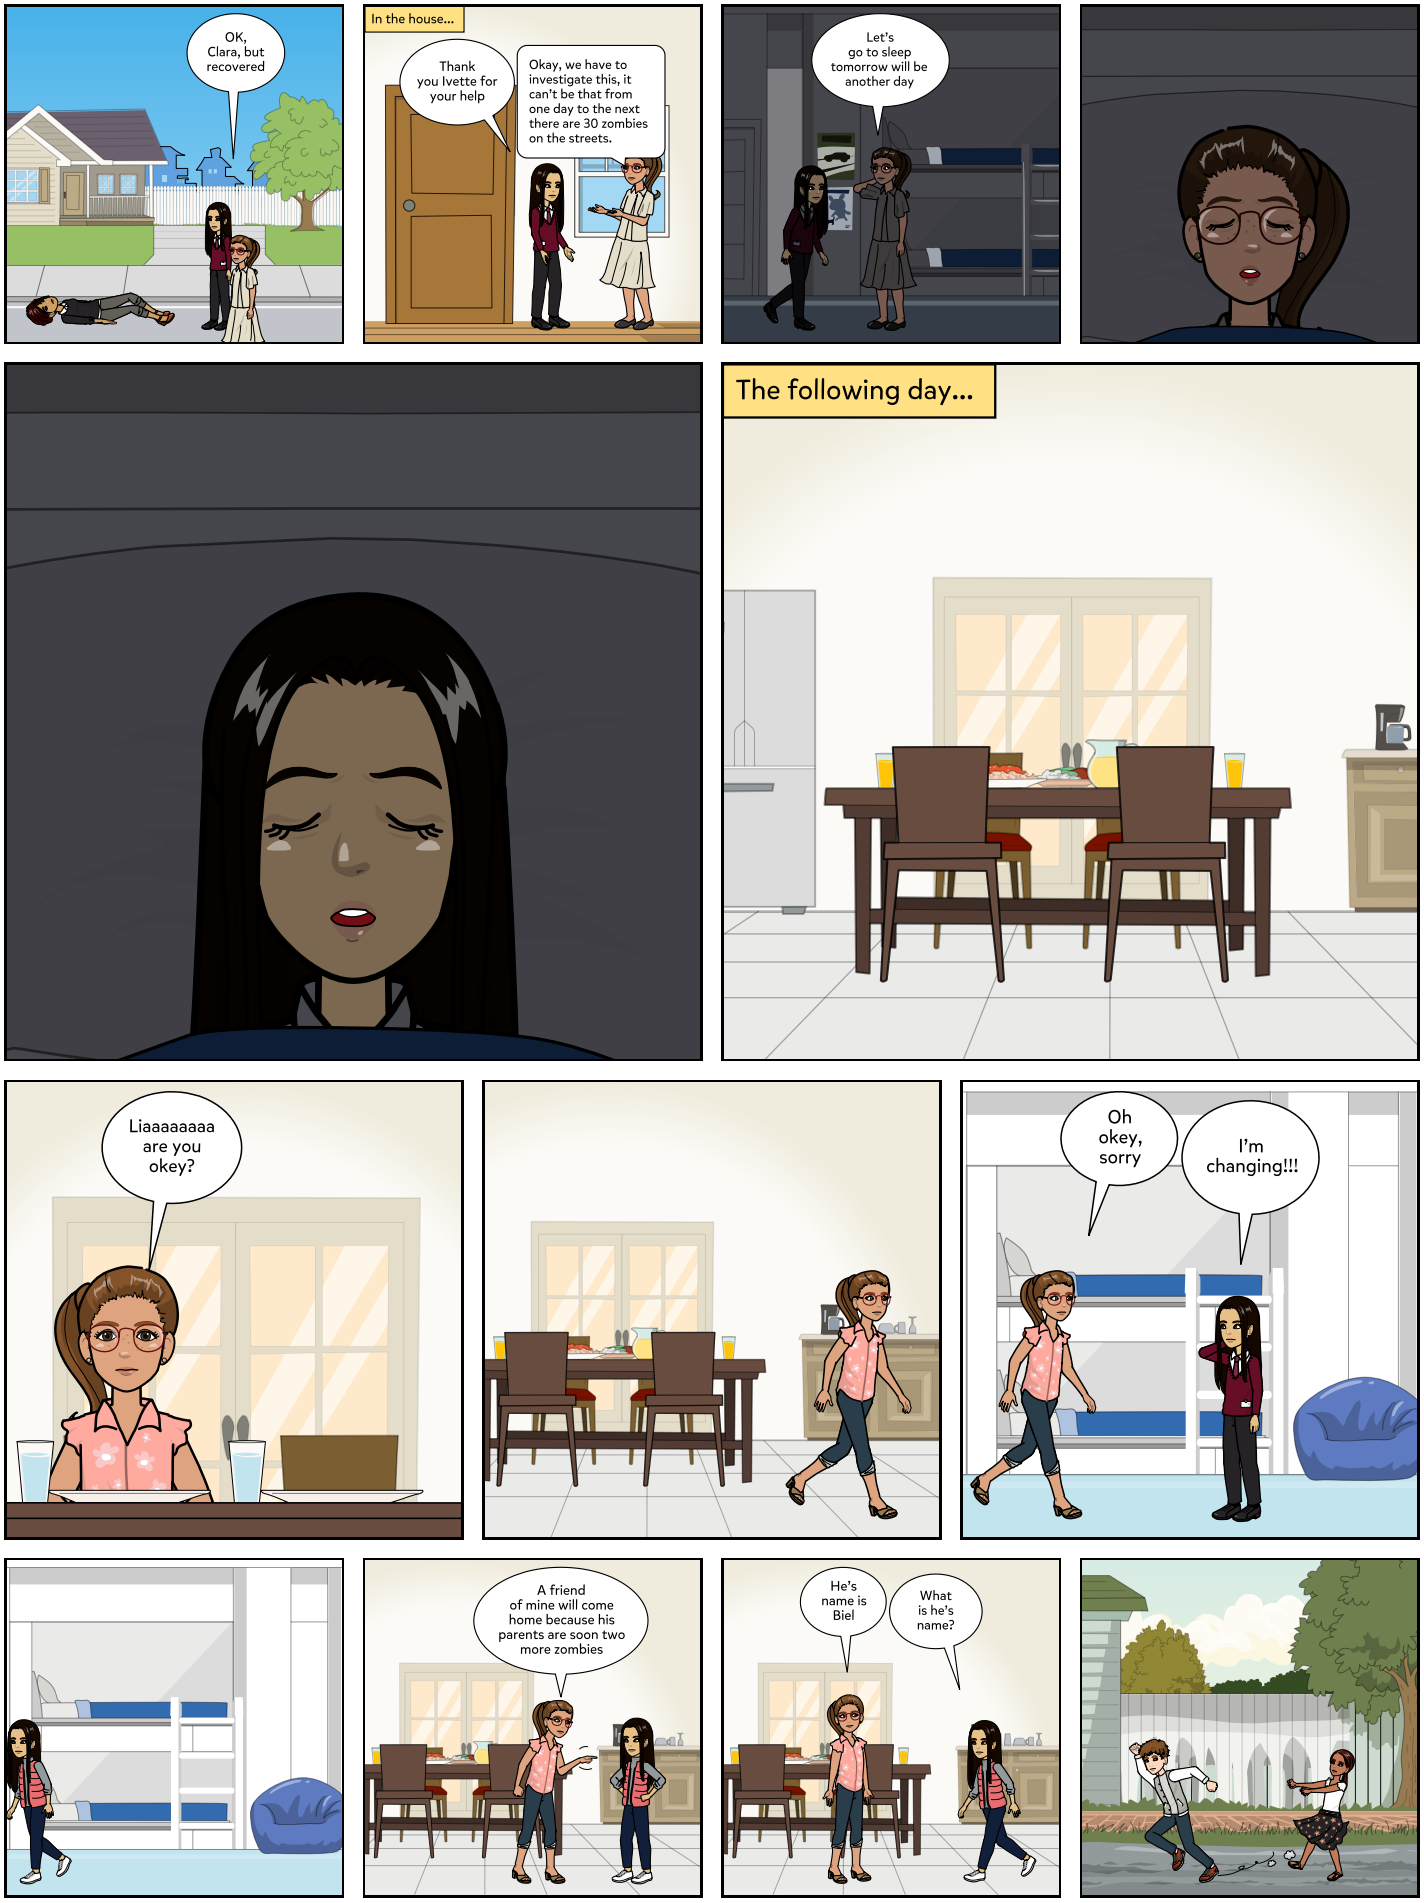
When I heard something weird coming from outside...
It's the neighbors! What on Earth are they doing out there?
They must be... ZOMBIES!!!? OR ALIENS!!!?
Well, let's go for a walk and see what happens
The following day
Mmm the breakfast was very good i go to the school
I'm going to have breakfast
Going tho the school...
THERE ARE ZOMBIEES!!!!!!!!
Zombies?
Yes ZOMBIES!!!
When I left the house my parents were not there, but they are always there, it seemed strange to me, then I took the car and went to school. There were ZOMBIEES, is an APOCALIPTIC.
Run Lia run, we have to go to my house.
Mail, a zombie has bitten me, and I'm about to become one of them, run away, I don't think this is over



OK, Clara, but recovered
In the house...
Thank you Ivette for your help
Okay, we have to investigate this, it can't be that from one day to the next there are 30 zombies on the streets.
Let's go to sleep tomorrow will be another day
The following day...
Liaaaaaaaa are you okey?
Oh okey, sorry
I'm changing!!!
A friend of mine will come home because his parents are soon two more zombies
He's name is Biel

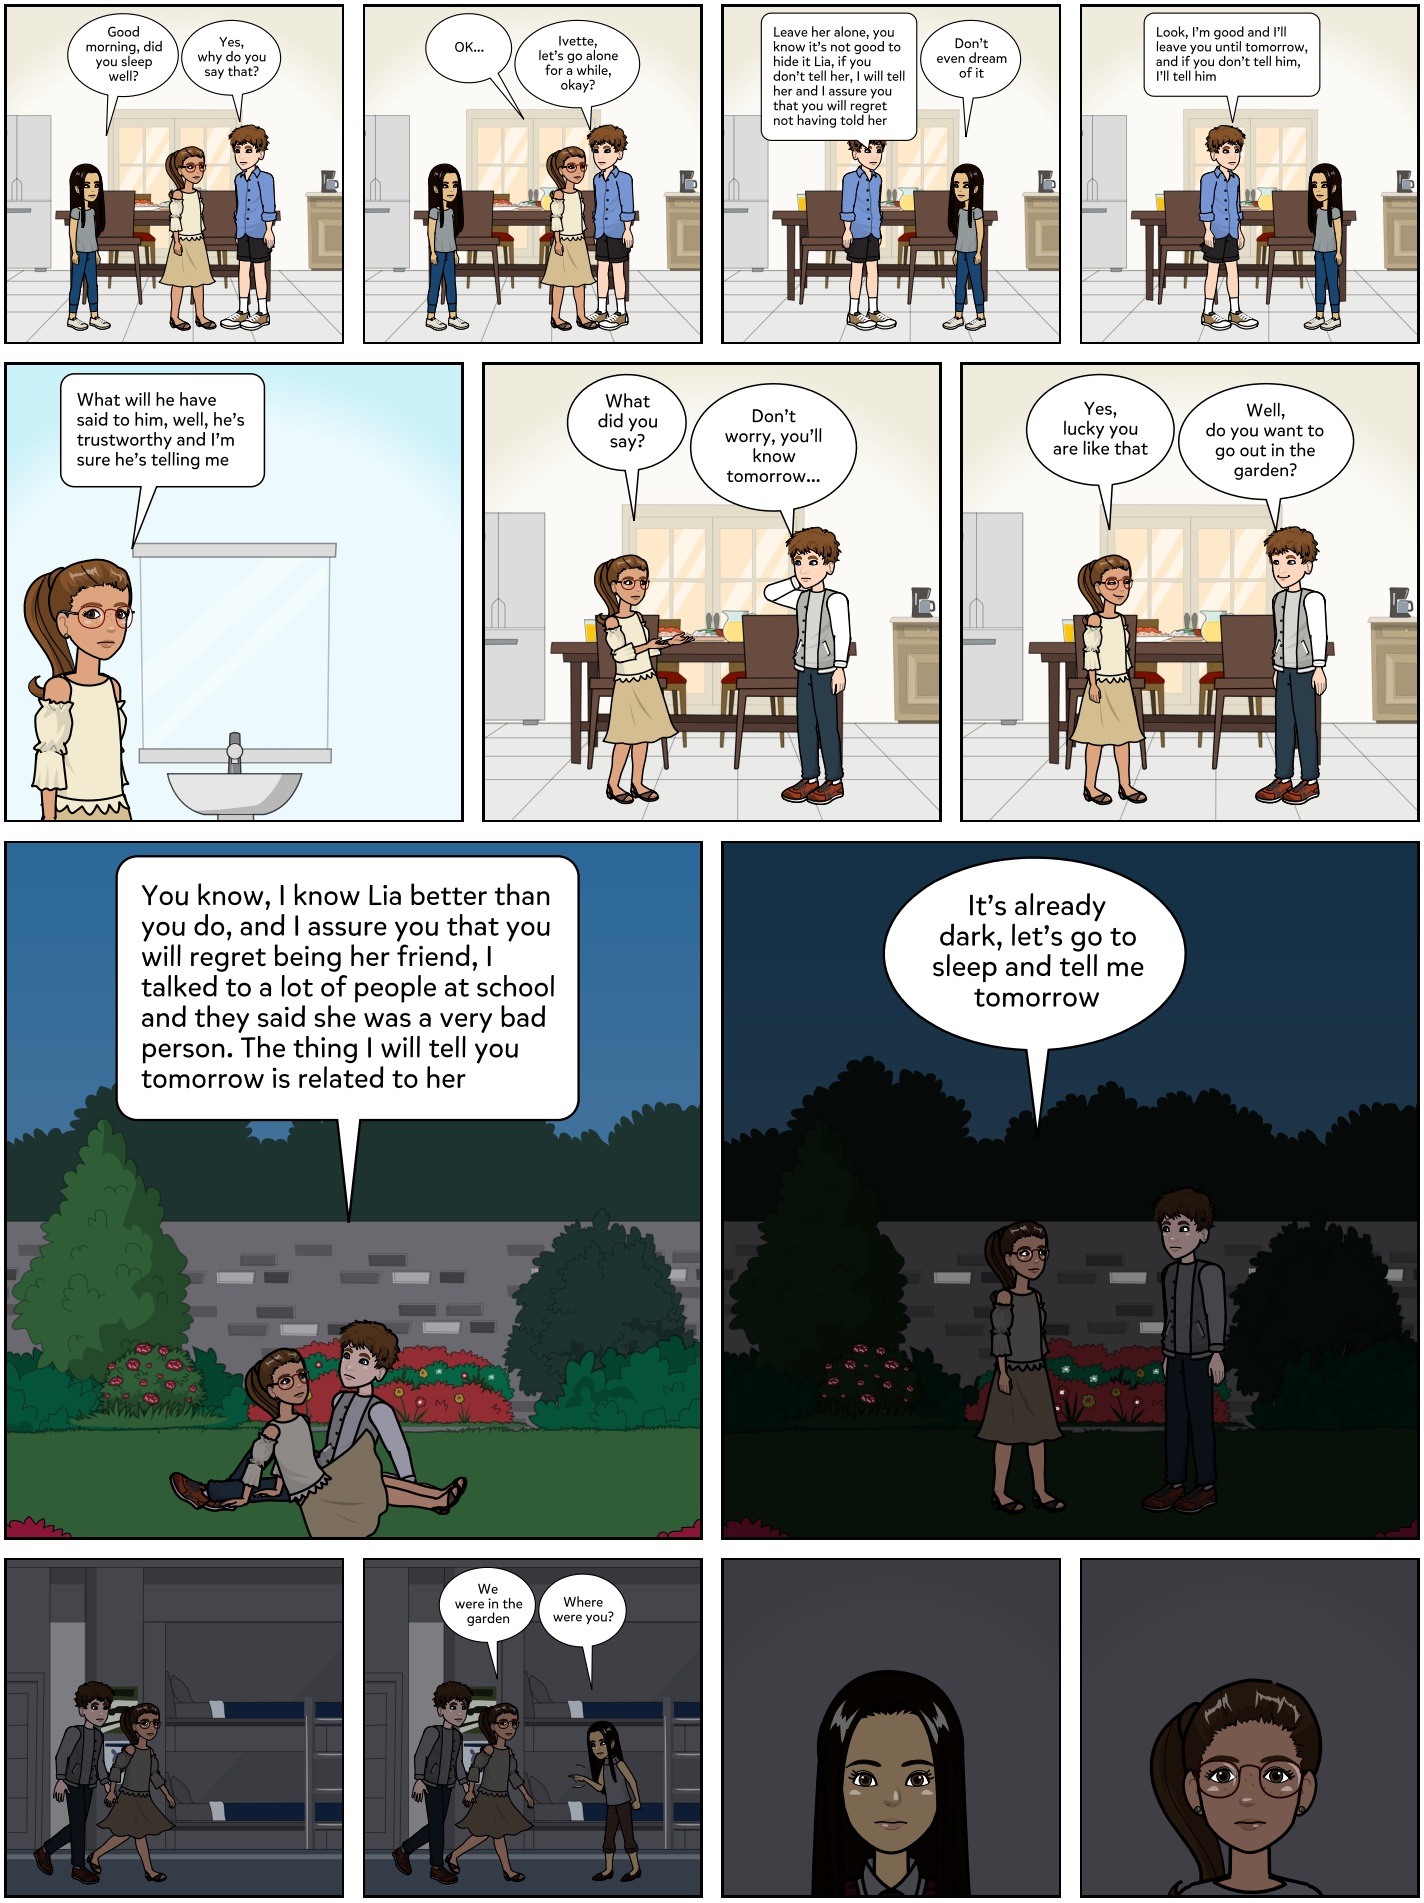
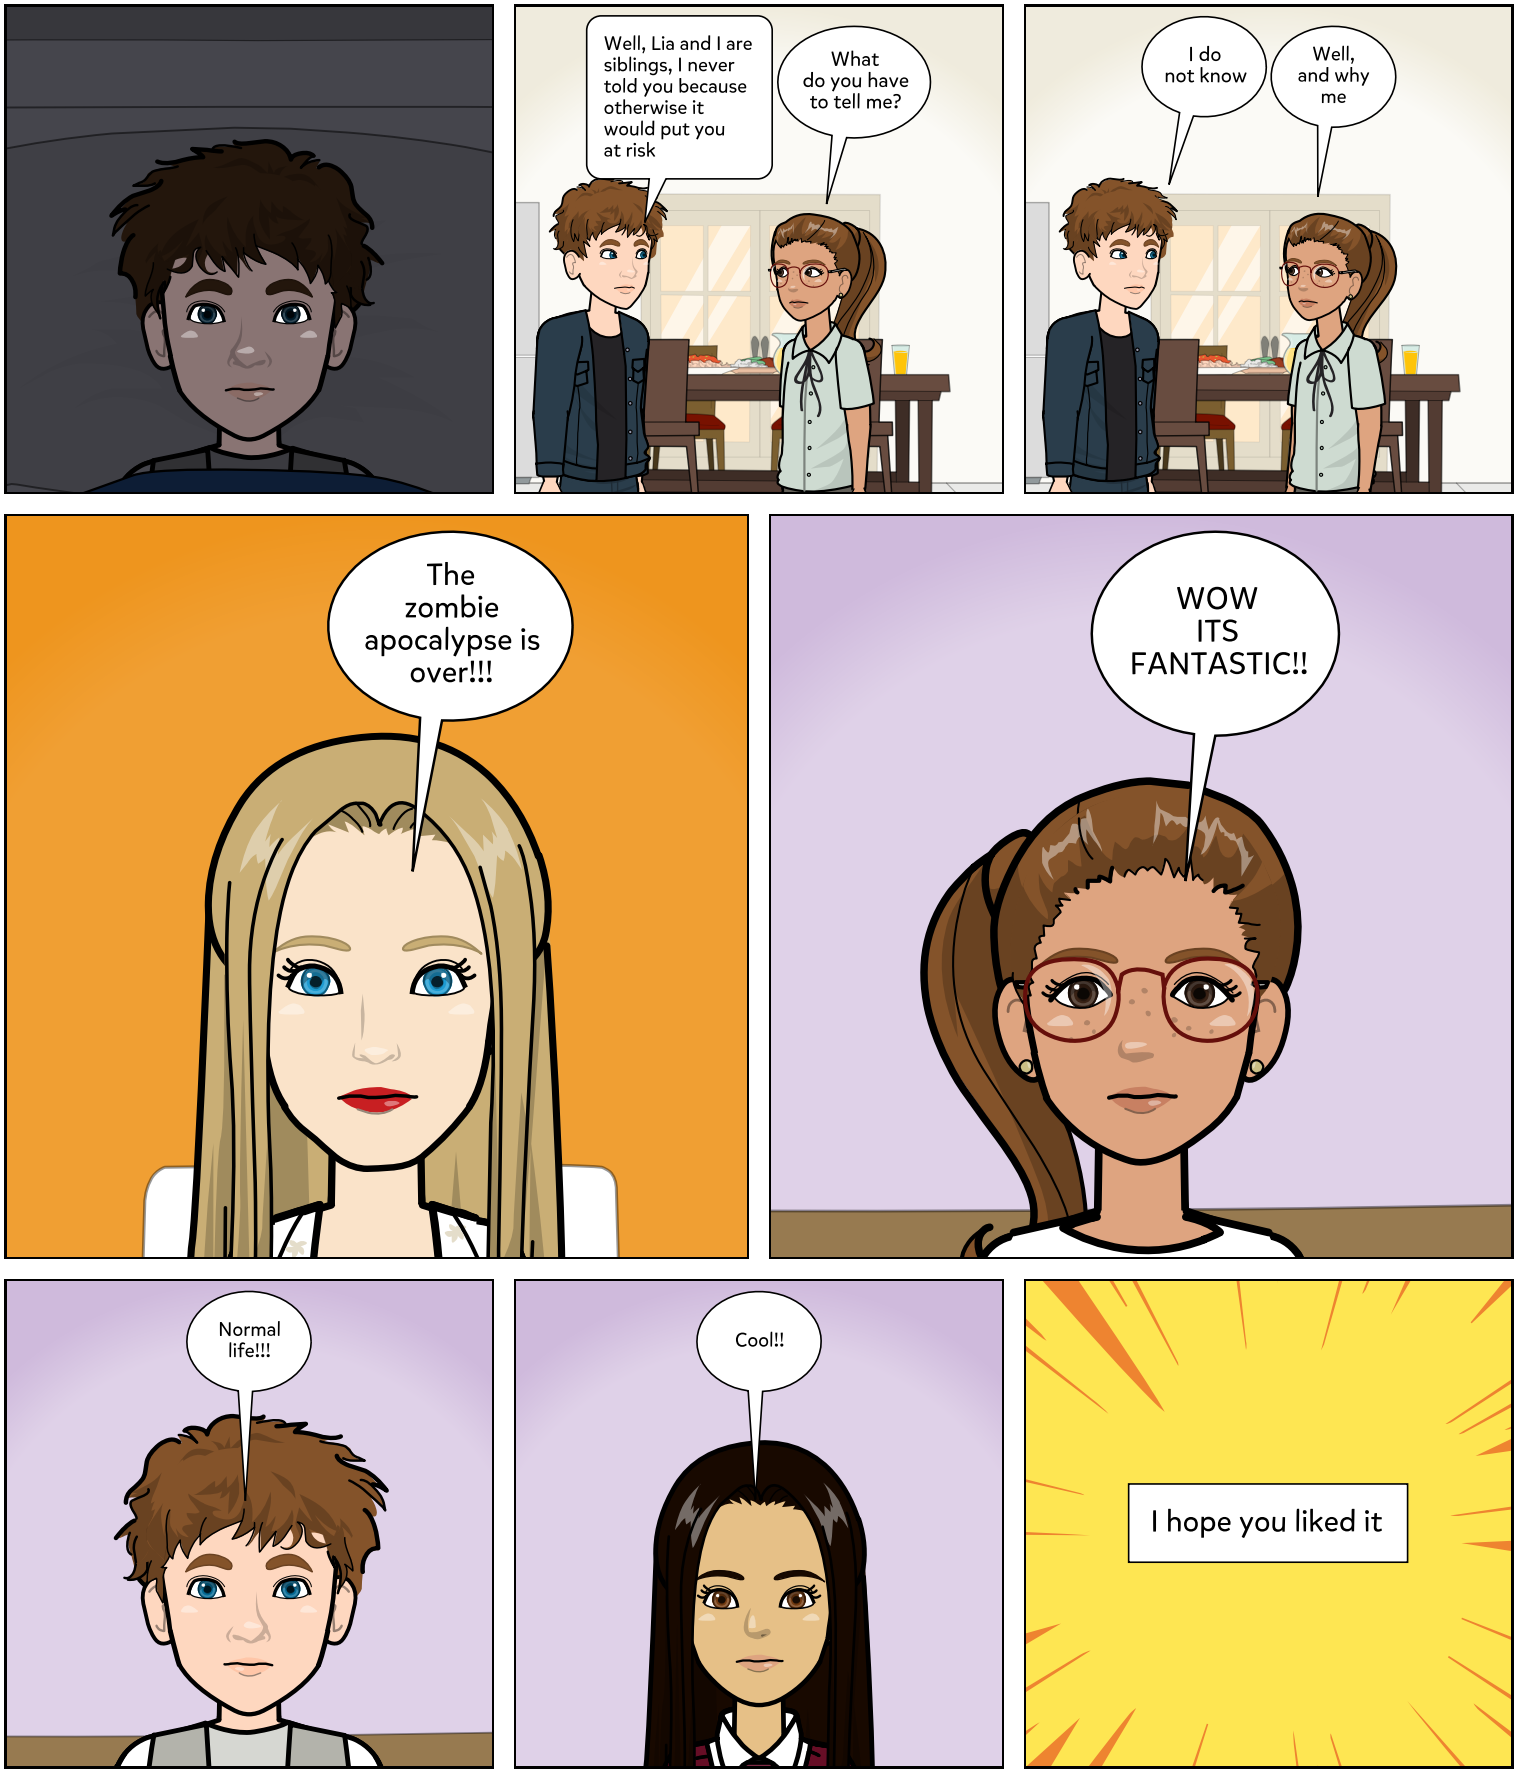
BUT YOU CAN STOP HAHA!!
Hello friend, welcome!!
Ugh why not, I came running because a zombie was chasing us, they are everywhere!!
What!! I'm going to show him the house for, what do you want?
YOU
You quiet, do you want to accompany us?
OF COURSE!!
This is the bedroom, you have to sleep with me.
But is my friend, ok...
Let her need some space, well it's late let's go to sleep



Good morning, did you sleep well?
Yes, why do you say that?
OK...
Ivette, let's go alone for a while, okay?
Leave her alone, you know it's not good to hide it Lia, if you don't tell her, I will tell her and I assure you that you will regret not having told her
Don't even dream of it
Look, I'm good and I'll leave you until tomorrow, and if you don't tell him, I'll tell him
What will he have said to him, well, he's trustworthy and I'm sure he's telling me
What did you say?
Don't worry, you'll know tomorrow...
Yes, lucky you are like that
Well, do you want to go out in the garden?
You know, I know Lia better than you do, and I assure you that you will regret being her friend, I talked to a lot of people at school and they said she was a very bad person. The thing I will tell you tomorrow is related to her
It's already dark, let's go to sleep and tell me tomorrow
We were in the garden
Where were you?



Well, Lia and I are siblings, I never told you because otherwise it would put you at risk
What do you have to tell me?
I do not know
Well, and why me
The zombie apocalypse is over!!!
WOW ITS FANTASTIC!!
Normal life!!!
Cool!!
I hope you liked it
